WHAT?! No Cards?!

That's right. In an effort to save money and the environment, we have adopted a cardless membership program for all levels except Passport.

Allow three days for your membership to be activated, then simply check in at our admissions desk with your name and/or address. To speed up check-in for future visits, feel free to ask for and record your Patron #. You may occasionally be asked for photo ID. If you need a card to present to the YMCA, just ask.
