We do not allow outside food or beverages in the Museum during regular hours. Let us know if special arrangements are needed due to an allergy issue.

If you want more than cake and pizza/subs (extra fee), consider an after-hours Hullabaloo party where you can arrange your own food and refreshments (limitations apply).

## What decorations do you provide?

### Can we bring our own?

Our private room for birthday/themed bashes offers a festive setting with a birthday throne and a backdrop for fun photos!

You may bring your own tabletop decorations for your party or event, but we do not allow taping or fastening anything to the walls, windows, doors or ceilings in any museum space. No confetti or piñatas.

## Will Museum staff play with/supervise our children throughout the entire party?

A "Birthday Buddy" will serve refreshments and lead activities during your time in the party room for birthday/themed bashes.

Your adults are responsible for supervising children at all times while in the museum.

## If some of our guests are Museum members, can they come at no charge?

No. Parties are special events that include more than Museum admission. All children (over 12 months) and adults attending your party will count toward the total guest count.
